## PANTHER NEWS:

### Holiday Season:

We are committed to our Panther Families. In the spirit of this holiday season, we are putting out a request for donations of gift cards or cash to help some of our wonderful school community members. With these donations, we will support some of our families in having a joyous holiday! We thank you in advance for your generosity!

### Panther Pride:

Panther Pride Poster Contest entries are being accepted in the office. Entries are due December 17.

### Closures & Early Dismissal:

When there is a planned early dismissal due to a storm forecasted later in the day, families will be informed through the PowerSchool Messenger system, the CCRCE website as well as through the text notification that you can sign up for through the CCRCE website.
