Dear Panther Families,

We hope you are keeping well during these extraordinary times.

With all schools going to on-line learning for the week of January 10th-January 14th, we are offering 2 appointment time slots for your child(ren) to retrieve their technology (only students will be permitted in the building). Please see the schedule below for pick-up.

Please note: if your child has access to a Chromebook, laptop or desktop computer at home that they are not expected to share, they do not need to pick up school technology.

Teachers will be sending each student their schedule by the end of day Friday through their gnspe gmail account. Parents and guardians who have provided accurate emails to the school will also receive a copy of this schedule. If you do not receive this email by the end of the day Friday, please reach out to your child's homeroom teacher.

Appointment time

Please see below for a detailed plan for the safe pick-up of your child(ren)'s technology.

We have assigned appointment times tomorrow, **Thursday January 6th (afternoon)** and **Friday January 7th (morning)** for students to come to the school to pick up their technology.

Please follow the specific instructions to present yourself at your given appointment time.

We are counting on you – our *students and families* – to ensure we follow the standards established by the Nova Scotia Medical Officer of Health.

Specifically, every student:

- is required to maintain social distancing requirements of 2m/6ft at all times while in the school.
- is required to sanitize their hands upon entering the building.
- is required to wear a mask upon entering the building.

If you are in self-isolation, please contact the school tomorrow at (902)896-5550 for other options.

Please do not come to TMS if you have any COVID-19 related symptoms ([Coronavirus \(COVID-19\) - Government of Nova Scotia, Canada](#))

Process Once your child arrives at School:

Entrances to the building:

- Grade 5s & 6s enter the main entrance- right door
- Grade 7s & 8s enter the main entrance- left door

Staff will instruct students on what expectations are when they come into the building (Reminder only students will be allowed into the school).
